Pursuant to Rule 1.9 of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the *Application of Pacific Gas and Electric Company (U 39 E) for Commission Approval Under Public Utilities Code Section 851 to Sell the Merced Falls Hydroelectric Project to Merced Irrigation District* (the "Application") filed with the Commission today, April 1, 2015.

The Application asks the Commission to approve the Purchase and Sale Agreement executed on February 27, 2015 between PG&E and Merced Irrigation District, a California Irrigation District existing under Division 11 of the California Water Code. PG&E also requests the Commission approve the requested ratemaking treatment in the Application and a Conservation Easement conveying a permanent conservation easement to the Sierra Foothill Conservancy in accordance with terms and conditions specified in PG&E's bankruptcy Settlement Agreement and related Stipulation Resolving Issues Regarding the Land Conservation Commitment approved by the Commission in Decision 03-12-035.

The Application and its attachments<sup>1/</sup> are available to all interested parties and to the public. Consistent with Rule 1.9, PG&E is issuing this Notice of Availability of the above-referenced application and its attachments because of the voluminous size of the materials (the Attachments exceed 3.5 megabytes). This Notice of Availability is being served on all parties listed in the service list section of the Application.

The documents may be accessed as follows:

1. Search for Public Case Documents: <https://pgera.azurewebsites.net/Regulation/search>
2. Select “S851 Merced Falls Hydroelectric Project Sale” from the dropdown menu
